NK hereby declares that the above Covered NK Products are all marked with the “wheelie bin” symbol in compliance with the European Waste Electrical and Electronic Equipment Directive 2002/96/EC (WEEE). This mark indicates that within EU member states the Covered NK Product must not be disposed of as unsorted municipal waste and must instead be returned to local electronic waste collection and recycling providers. Any customers wishing to dispose of a Covered NK Product should contact an NK Company reseller located within their country of residence for more information.

To locate an NK Company reseller, visit the dealer page at any of the above listed Web URL’s or contact the NK Company at the contact information provided therein. Customers may also contact NK directly at [techsupport@nkhome.com](mailto:techsupport@nkhome.com) for more information about disposal arrangements.

NK commits that all Covered NK Products returned to any NK Company or an authorized representative at the end of the Covered NK Product’s life will be properly recycled and disposed of.
